MOHAMAD ADAM HARITH BIN YAKKUB

Phone No.: +6019-932 6081| Email: mohamadadamharith05@gmail.com

Address: 039, Kampung Penambang Bunga Mas, Jalan PCB, 15350,

Kota Bharu, Kelantan, Malaysia

CAREER OBJECTIVE

Motivated and analytical student seeking a Data Analyst internship to apply skills in data visualization, data cleaning, and database management. Passionate about turning raw data into meaningful insights that support business decisions through tools like PowerBI, Excel and SQL.

EDUCATION BACKGROUND

Diploma in Information Technology   **2023 – Present**
Politeknik Besut Terengganu   *Besut, Terengganu*
CGPA: 3.66

Sijil Pelajaran Malaysia (SPM)   **2018 – 2022**
Maahad Pengajian Islam   *Kota Bharu, Kelantan*
Result: 1A 6B

PROJECT EXPERIENCE

Diploma Final Year Project (FYP) – REKEK E-Commerce Data Dashboard
- Designed and implemented an analytics dashboard to visualize sales performance, customer activity and product trends using Power BI.
- Cleaned and transformed raw data from MySQL databases into structured datasets.
- Applied SQL queries for data extraction and used DAX for calculated measures in POWER BI.
- Presented insights to lecturers highlighting sales growth and top-performing product categories.
- Portfolio: FYP • Portfolio

SKILL AND STRENGTH

Software / Informative Technology Skill (IT)
- Skilled in data analysis and visualization using Power BI, Excel and Google Sheets.
- Experienced in data cleaning, transformation, and reporting using SQL and MySQL.
- Proficient in Microsoft Excel (Pivot Tables, Charts, Conditional Formatting, Data Validation).
- Competent in Flowgorithm for designing flowcharts and visualizing algorithmic logic.
- Familiar with data storytelling and dashboard design for clear communication of insights.
- Basic web development knowledge: PHP, HTML, CSS, JavaScript (from e-commerce project).

Professional Hard Skill
- Strong ability in report generation, data documentation, and trend analysis.
- Understanding of database structure design, relationships, and data normalization.
- Experience working with large datasets and ensuring data accuracy and consistency.
- Skilled in problem-solving using data-driven approaches.

Professional Soft Skill
- Excellent analytical thinking and attention to detail.
- Strong communication and presentation skills for sharing insights clearly.
- Ability to work independently and collaboratively within a team.

Language Skill (Speaking and Writing)
- Malay: Advanced/Native Proficiency.
- English: Professional Working Proficiency
